

Babies Love to Play

SONG LYRICS

BRUSH, BRUSH BRUSH

I walk to the bathroom and I'm feeling good.

I got all my clothes on, just the way I should.

And I see my smiling face in the mirror,

But there's still something missing here.

What is it? It's my hair, it's a mess, but that's ok. I'll fix it.

So I look all around me and I find the brush,

It makes my hair grow the way I like so much,

And now I'm ready to begin, my messy hair that brush will fix.

I brush my hair,

I brush my hair,

I brush my hair,

I brush my hair.

Now that my hair's done and I'm feeling great,

There is still one thing I've got to do at the sink.

So I grab my toothbrush and I grab the paste,

And I brush my teeth to start my day,

I brush my teeth,

I brush my teeth,

I brush my teeth,

I brush my teeth.

And spit.

BIRDIE'S LULLABY

The sky is dark.

All the birds have flown back to their nest,

to cuddle up and sleep.

It's safe and warm under cover of their nest.

They close their eyes and dream.

The day's been long.

But now it's time to close their eyes.

They'll sing again in the morning.

The moon is out as I'm getting ready for my bed,

to cuddle up and dream.

It's safe and warm under the covers in my bed.

And I'll close my eyes and sleep.

The day's been long but now it's time to close my eyes.

And I'll have fun in the morning.

The day's been long but now it's time to close my eyes.

And I'll have fun in the morning.

The day's been long but now it's time to close my eyes.

And I'll have fun in the morning.

I LIKE MAKING FOOD

I like making food.

It's so much fun to do, when everybody's eating together.

Hey, it's time to eat, so come on get on your feet.

And let's all make a meal together.

There's salad and there's meat,

and there's fish and apples and carrots and plums

and all the foods I love to eat.

Hey, it's dinner time.

So come on we'll sing and rhyme,

'cause we all make our meals together.

Grab the vegetables and I will stir the sauce.

'cause I like making meals together.

We can make pasta or we can make stew,

or we can make omelets or pizza or bagels or pie

or anything we want to do.

I like making food.

It's so much fun to do.

When we all make our meals together.

Come on gather round the table and sit down,

'cause we all eat our meals together,

Oh, 'cause we all made our meal together.

And I like making meals together.

TWINKLE, TWINKLE LITTLE STAR

Twinkle, twinkle little star

How I wonder what you are

Up above the world so high

Like a diamond in the sky

Twinkle, twinkle little star

How I wonder what you are.

Twinkle, twinkle little star

How I wonder what you are

Up above the world so high

Like a diamond in the sky

Twinkle, twinkle little star

How I wonder what you are.

WHEN I GET UP IN THE MORNING

When I get up in the morning
there are things I've gotta do.
When I get up in the morning
I want to look my best for you.
When I get up in the morning
I want to be ready for my day,
In the morning, in the morning, in the morning today.

When I get up in the morning
I'm gonna stretch my arms real wide,
I rub my eyes, get out of bed and then I will decide
just what kind of clothes to wear, so I can run and play,
In the morning, in the morning, in the morning today.

I gotta put on my shirt (put on my shirt)
Put on my pants, (put on my pants)
Put on my socks, (put on my socks)
And then I'll do a little dance.

Or you can put on a skirt (put on a skirt)
Or put on a dress (put on a dress)
Put on your shoes (put on your shoes)
Now you really look your best.

Cause when I get up in the morning
there are things I've gotta do.
When I get up in the morning
I want to look my best for you.
When I get up in the morning
I want to be ready for my day,
In the morning, in the morning, in the morning today.
In the morning, in the morning, in the morning today.
In the morning, in the morning, in the morning today.

HICKORY DICKORY DOCK

Hickory Dickory dock,
The mouse ran up the clock,
The clock struck one
The mouse ran down,
Hickory Dickory dock.

Hickory Dickory dock,
The mouse ran up the clock,
The clock struck one
The mouse ran down,
Hickory Dickory dock.

MICHAEL, ROW THE BOAT ASHORE

Michael, row the boat ashore – Hallelujah!
Michael, row the boat ashore – Hallelujah!

Michael, helps to tow the sail – Hallelujah!
Michael, helps to tow the sail – Hallelujah!

Michael, row the boat ashore – Hallelujah!
Michael, row the boat ashore – Hallelujah!

Michael, helps to tow the sail – Hallelujah!
Michael, helps to tow the sail – Hallelujah!

LONDON BRIDGE

London Bridge is falling down,
Falling down, falling down,
London Bridge is falling down,
My fair Lady.

Take the keys and wind them up
Wind them up; wind them up
Take the keys and wind them up
My fair Lady.

London Bridge is falling down,
Falling down, falling down,
London Bridge is falling down,
My fair Lady.

ITSY BITSY SPIDER

The itsy bitsy spider went up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the itsy bitsy spider went up the spout again.

The itsy bitsy spider went up the water spout
Down came the rain and washed the spider out
Out came the sun and dried up all the rain
And the itsy bitsy spider went up the spout again.

ROW, ROW, ROW YOUR BOAT

Row, row, row your boat
Gently down the stream.

Merrily, merrily, merrily, merrily,
Life is but a dream.
